Topical Notes

From the editors Desk

I hope you all survived Xmas OK and now its a matter of getting through another year. Although every new year brings changes both good and bad, there is one thing we know we can rely on and that is the spirit and fellowship of our own Rotary club. Its what every one of us gives to our club and what we personally get out of it that makes it, and Us, what we are. A pity our guest speaker couldnt make it last meeting

but stay tunes as we have some absolute rippers coming up. Jean did an admirable job of explaining "Hogmanay" the Scottish New Year to us last week.. Interesting to note that the Scots were still celebrating it rather than Xmas right up into the 1960s. Only a couple of days now until the annual booksale. Its where we raise most of the money we need for the year ahead and all goes to worthy causes so please help out where you can and dont leave the workload to just a few. *Common sense in an uncommon degree is what the world calls wisdom.
