Topical Notes

From the editors Desk

Mr John Jones, our guest speaker for last meeting has offered his sincere apologies for not being able to make it on the night. Nevertheless I feel we had a rather productive and informative night on the theme of the clubs future activities and their effectiveness in being a drawcard to attract new members. Its to be hoped that it will lead to some new and exciting events in our upcoming calendar.

Ian Jackson has been doing a great deal of work in Martin's

absence (skiing!!) to arrange a vocational visit to Ricardo's Tomato's. See below for details. Our bowel scan sales have been progressing well over the last week. Congratulations to Alan for a job well done and thanks to all who helped in this worthy cause.
